

Candor Charter

Small, personal, cozy

We are a family-owned and operated business, founded in 2004 by Hungarian sailing enthusiasts. The base is located in Marina Kastela, Croatia, halfway between Split and Trogir. Our intention as yacht owners is to maintain the excellent condition of the fleet, securing our guests to sail with peace of mind when they are on a sailing holiday. We are keen on equipping our sailing yachts comfortably, maintaining them as only a private owner would do it.

It is very important for us to greet you as family members, treating you like you have just come home. We are a very flexible team when special demands arise, and our repeat clients are all recognized with great attention. Our staff speaks English, Croatian, French and Hungarian languages, and learning to communicate in Spanish and Italian too.

The senior and founder is Ferenc Szőr, who is involved in fleet purchases and technical developments.

Gábor Szőr is the **contact** for all queries and daily operations, including booking, customer care, business planning, and base supervision. He is assisting the guests in check-in and check-out too.

Ari Papai, wife of Gabor is involved in daily booking administration, answering queries, and follow-up payments. She is in the office on Saturdays, managing documents and payments. Her assistance is **Luca** and **Sebi** from the family.

Zoran Šalov is our experienced base manager, doing repairs and maintenance, as well as the technical support during the week. His co-workers are **Duje, Fabian and Tino**. They also assist our guests in check-in and check-out.

The yachts' cleanliness and setup before each charter are in the hands of **Rahila Knezevic**, our cheerful landlady.

You will often meet temporary helpers in the summer rush, but the people mentioned above are always at your disposal. Please ask for them in the following availabilities:

- There is a secure parking area in the marina with plenty of space. Parking is 10 € per day, 50 € per week in the guarded parking of Marina Kastela, payable upon leaving, or up front. Once entered the parking, you can pay the week, and then can drive in and out as many times as you want.
- Baggage trolleys are available free of charge, but they are not allowed to be used outside the marina premises. Candor trolleys are available from the office.
- You can find a small supermarket, a coffee bar, restaurant, pizzeria, luggage lockers, ATM, toilets, shower, swimming pool, and taxi within the marina.
- In the neighborhood, there are major supermarkets, several small groceries, bakeries, a restaurant, and a few fast food bars, feel free to ask for directions in the office.
- The historic center of Kastel Luksic is around 30 minutes walk. There are cafes and bars where you can spend the time till your yacht is ready.
- Standard check-in starts at 5 p.m., but the actual schedule can be agreed upon, depending on the preparation status. We do our best to let you start your adventure as soon and comfortably as possible.
- We kindly request you to fill up the fuel tank, empty the waste tanks and return to the base on Friday evening until daylight. We will start checkout upon arrival. Please leave the seacocks open until we can check the holding tanks. In case of no refueling, we charge a 100 € service fee. We are unblocking the waste tank if necessary for a 150 € service fee.
- The vessel should be emptied on Saturday morning until 8:30 a.m. to complete the checkout. Any alteration from this schedule must be reported to, and confirmed by the Candor office at least 24 h in advance. **In case of an unaccepted checkout delay, a late checkout fee is charged.**
